DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on applications filed in Europe on 19 December 2000 and 4 July 2001. It is noted, however, that applicant has not filed a certified copy of the European applications as required by 35 U.S.C. 119(b).

Claim Objections

2. Claims 11-13 are objected to because of the following informalities: Claim 11 is objected to because the phrase "wherein said control unit is are configured" is not grammatically correct. Claims 12 and 13 depend on claim 11. Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 8 and 30-34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 8 is rejected based on lack of positive antecedent basis of "said control data unit" on line 3.

Claim 30 is rejected because it depends on claim 29 which has been canceled. Therefore it is not clear what the metes and bounds of the claim are.

Claims 31, 33, and 34 are rejected because they depend on claim 30.

Claim 32 is rejected based on lack of positive antecedent basis of "said first and second data processing" on line 2.

Allowable Subject Matter

5. Claims 1-4,6,9,10,14-18,20-28, and 35-40 are allowed.

6. The following is a statement of reasons for the indication of allowable subject matter: Applicant's arguments on pages 11-13 of the response filed 17 November 2005 are persuasive and have overcome the prior art rejection in conjunction with the amendments made to the claims.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
